ORAL
ORDER

Admission hearing could not be concluded today. Learned counsel for the petitioner has insisted upon grant of interim relief in view of the likelihood of early onset of monsoon which may damage the wood or charcoal in question. Learned A.G.P. sought time to make any statement or express agreement to any interim arrangement in absence of written instruction in that regard. Therefore, the petitioner is permitted to mention before the Hon'ble Vacation Judge for hearing of the matter for grant of interim relief.
