Facts

arising from the Complaint:

Mr. Swami Vishwanath filed a RTI application with the PIO/Superintendent Engineer, Rohini Zone, Municipal Corporation of Delhi on 04/03/2010 asking for certain information. However on not having received the information within the mandated time, a Complaint was filed under Section 18 of the RTI Act with the Commission. On this basis, the Commission issued a notice to the PIO/Superintendent Engineer, Rohini Zone, Municipal Corporation of Delhi on 06/05/2011 with a direction to provide the information to the Complainant and further sought an explanation for not furnishing the information within the mandated time.

Subsequently, the Commission received a letter dated 13/06/2011 of PIO/ Superintendent Engineer, Rohini Zone, Municipal Corporation of Delhi. It has been stated therein that the RTI Application was received in their office on 24/03/2011, the same was forwarded to the deemed PIO/EE-M-IV for procuring the information sought by the Complainant. Further, it has been stated that the information was provided to the Complainant on 22/04/2011 and the same was again sent in compliance of the Commission's direction to the Complainant on 08/06/2011. Further, the Commission received a letter dated 11/07/2011 of the Complainant alleging that information provided by the PIO is not satisfactory and correct. However, on perusal of the RTI Application and the information provided the Commission notes that the information sought is largely in the nature of seeking clarifications and not information as defined under Section 2(f) of the RTI Act. The PIO has provided the relevant information which appears to be as per the provisions of the RTI Act.
